MARCH NEWSLETTER 2025

It's that exciting time of year when we head to the USA for our annual marketing trip! Here's the schedule for this year:

- Iowa Deer Classic in Des Moines: March 7-9
- A Get-Together at Sun Lakes, Arizona: March 12
- Nevada Premier Sportsman's Expo: March 14-16
- ISE Salt Lake City, Utah: March 20-23
- A Get- Together 23 March Cabela's Lehi UT

This year, we're thrilled to share more about **Schoongezicht Adventures** with our clients. Pieter Duif will be on hand to discuss the discovery of Africa's hidden gems and offer expert advice on planning your trip or adventure, whether it's before or after your hunting journey.

Additionally, we're excited to offer our friends and clients the chance to book a trip to one of the most stunning hunting destinations in the Waterberg Mountains, **Mountain Creek**. This is the newest addition to our Schoongezicht Hunting locations and promises a fresh and unforgettable experience for both returning and new clients.

We've also made some significant upgrades to our lodges this year, and we're confident that our returning clients will be pleasantly surprised by the improvements.

One thing that has truly stood out in recent years is the high quality of the trophies we've been fortunate enough to harvest. This is a testament to the success of our model of Sustainable Utilization and Conservation, and it's heartwarming to see so many of our clients returning to us year after year. With one of the largest booking numbers for the season already in place, it's clear that our clients trust us and continue to support our mission.
